

OBJECTIVES

Team building and transmission of words

Words are often at the heart of what is exchanged and transmitted in a team. After a short presentation on the subject, the team will be able to create a clay work, individually and then collectively.

During this workshop we propose a hands-on experience to create a joyful and meaningful team building opportunity.

TOOLS

- Clay
- Theory
- Group discussions

IN PRACTICE

- Place : your company or a workshop in Satigny
- Duration: 1/2 day
- Participants: Maximum 12
- Necessary material: Paper - Pens

Program

Step 1

The transmission of words

Step 2

Creation of a masterpiece

Step 3

Back to the morning
